

Lia's Challenge Pro-Life Video Contest

***Your pro-life video could win a
\$1,000 Scholarship!***

Calling all pro-life youth!

Have you always wanted to tell everyone why you are pro-life? Like making videos? We're looking for the best youth pro-life videos out there.

The sky is the limit for pro-life video topics (be creative!), but here are some ideas to get you started:

- Discuss the importance of pro-life women in politics
- Choose a pro-life heroine and explain why you admire her
- Challenge the abortion industry bailout by taking on taxpayer funding for abortion

Videos will be posted on YouTube and judged in two different age categories: 12 years and younger and 13-18 years old.

Deadline to Submit Your Video is May 22, 2009
