Ms. Daisy Quiles-Pardo  
Mujeres 950  
San Juan, Puerto Rico

Dear Ms. Quiles-Pardo:

We would like to express our support for the “Luchemos por las Dos Vidas”/“Lets Fight for Both Lives” March which Mujeres 950 and other local pro-life groups have organized for this Friday, September 28, to promote the defense of the right to life in the Island and to call for the passage of Senate Bill 950, “The Law for the Protection of Women and the Preservation of Life.”

It is truly outrageous that in the Island still today abortion is allowed until the moment of birth, that minors do not need the consent of their parents to terminate their pregnancy and that abortion can be practiced on demand without requiring a waiting period or an ultrasound or asking the fetal age.

Senate Bill 950 would correct this irregular legal scenario by imposing restrictions on abortion similar to the ones adopted in many states of the union. The bill would, in fact, go far in limiting abortion in Puerto Rico, which already claims an estimated 20,000 lives every year in the Island, by prohibiting this loathsome practice after twenty weeks and implementing other common-sense reforms.

We commend you for your leadership in fighting to defend and promote a culture of life that respects the dignity of every human being at all stages of life. Rest assured that we are committed to work with you closely in your struggle to defend the unborn in Puerto Rico and, particularly, in your advocacy to ensure that Senate Bill 950 becomes law.

As you march for life on September 28th, please remember that your fellow pro-life citizens throughout America have you and your noble cause in our thoughts and prayers.

May God bless you and your beloved Island.

Respectfully,
